### **1.) What is Flash Hero?**

**Answer : Flash Hero is Token in Binance Smart Chain with Tokenomic Rewards 8% Of Metahero Token. The long you hold Flash Hero, the more you get Meta Hero Token.**

### **2.) Why Flash Hero is Created?**

**Answer : Firstly, the reason why Flash hero is created cause we recognize so many scam project in Binance Smart Chain and of course one of us is a victim. We learn and thinking how can we patch the gap to minimize the scam, so that's why we use Dxsale for our Liquidity Provider Partner**

### **3.) What is Usecase in Real Project?**

**Answer : To be Honest, we see NFT Marketplace in Digital is so many much, but in offline Market, so everyone can see and learn how NFT Looks just not in Digital and Screen.**

### **4.) Why Use Meta Hero Token For Reflection?**

**Answer: We learn how can Metahero Token is Growth and we learn from that. Metahero is splid community with Good Project, so we want to be like that and support Metahero to growth together.**

### **5.) Plan Marketing sir?**

**Answer : Marketing is one of our Virtual Attention, we aware Marketing can add more growth and value, so we don't want to kidding in this, we have list some influencer in social media and youtube, after Fairlaunch we want to expansion in some big traffic platform and influencer. Of course you can request who is influencer you want, we will add big cost to support this.**
